

TAC GRIP-X

6908

The glove features a durable microfiber PU leather palm, designed for flexibility and longevity, with reinforced stitching on high-use areas to enhance durability. For improved weapon control, the thumb and index finger are equipped with silicone printing, ensuring a secure grip. The back of the hand combines neoprene, providing impact resistance and flexibility, with breathable spandex for comfort and enhanced dexterity. To ensure superior protection, the palm side of the glove is lined with a high-performance HPPE anti-cut linear, offering excellent cut resistance without compromising mobility.

Technologies & Martials:

- 1 Glove is made with Heat-Hide which is fire retardant leather in accordance to EN659 standards and has enhanced grip properties for better performance in real time.
- 2 Four directions stretch fabric that gives a very comfortable fit through day with enhanced level of breathability..
