

**TITAN TACTICAL  
7010**

The TITAN TACTICAL Glove is engineered for superior protection, durability, and performance in high-risk tactical environments. Constructed with premium heat-hide digital leather and Nomex®, it offers exceptional heat and flame resistance while ensuring flexibility and comfort. The palm is reinforced with digital leather for enhanced grip and resistance. A knuckle protector on the back of the hand provides impact protection, while leather piping gathered below the knuckles add an extra layer of defense. The inner lining features an HPPE (High-Performance polyethylene) anti-cut liner, delivering maximum cut resistance without compromising dexterity. A secure hook-and-loop leather strap ensures a snug and adjustable fit, making the TITAN TACTICAL Glove the ideal choice for law enforcement, military, and high-performance tactical operation.

### Technologies & Martials:

-  Glove is made with heat hide which is fire retardant leather in accordance to EN659 standards and has enhanced grip properties for better performance in real time.
-  This Glove provide a cut protection on the palm side during any mechanical or tactical hazard and in accordance to En388 cut protection level is E.
-  For firearm professionals this Glove's design and fitting is crafted with precise measures that makes it very practical for rifle and gun shooting.
-  The material used in this gloves provide exceptional dexterity, making it practical for handling or lifting up slim objects like a pen or opening handcuffs and key.
